## “Our Core Values @ 200”

*(Core Values were identified in the final quarter of 2009 through a series of conversations with the Church Council, Deacons, and Church Staff, with assistance from Dr. Chris Gambill, church consultant; as well as statistical information from a church-wide survey in Sunday School, September 2008.)*

**We value life-giving relationships with  
Jesus Christ.**

**We value the mission of God  
in our world.**

**We value Christian relationships.**

**We value intimate worship.**

**We value our ministry context.**

**We are becoming more personal.  
We are becoming more consistent.**
