

Royal Ambassadors (RA's) are boys in grades 1-6 and are committed to living out the RA Pledge. This pledge is part of personal and chapter (group of RAs) accountability.

The RA Motto, "We are Ambassadors for Christ," not only gives the organization its name, but also gives the boys and leaders a lifestyle goal.

This motto is taken from Scripture, specifically 2 Corinthians 5:20.

Discover the Joy of Missions Through WMU

Our Strategic Principles

Learn about missions.

Pray for and give to missions.

Develop spiritually toward a missions lifestyle.

Participate in the work of the church and denomination.

WMU Vision Statement

WMU challenges Christian believers to understand and be radically involved in the mission of God.

Since its beginning in 1888, WMU has become the largest Protestant missions organization for women in the world, with a membership of approximately 1 million.

WMU's main purpose is to educate and involve adults, youth, children, and preschoolers in the cause of Christian missions. Although originally geared towards active participants in WMU organizations and ministries today.

Focus On WMU

Women on Missions is a missions organization for women (ages 18 and up) through which women pray for and give to missions, do missions, learn about missions, grow spiritually toward a missions lifestyle, and participate in the work of the church and the denomination. The purpose of all Women on Mission activities is that every person have the opportunity to hear and respond to the gospel.

Coordinator: Maribeth Hambrick Facilitator: Kitsy Boyd

Adults on Mission is the church missions organization for WMU for both men and women over the age of 18.

Facilitators: Lois & Glenn Riedel

The children of today are the missions leaders of tomorrow; WMU encourages children to learn about God's love, become aware of the needs of others, learn the importance of prayer; and start doing missions themselves.

Girls in Action is a mission organization for girls in grades 1-6.

In GA's girls learn what missionaries do. Pray for missionaries and their work, discover how they can help other people, save and give money to help tell other people about Jesus, learn about people around the world, have fun with friend!

Preschoolers, it is never too young to learn about missions

Mission Friends, the WMU organization for children from birth to pre-first grade, helps young children begin to learn about God and His love, and about becoming one of God's "helpers" here on earth. Mission Friends builds a foundation for children to understand God's plan for their lives.

Students ~ Teenagers, face many challenges today; WMU offers boys and girls who are not children, but not adults, the chance to grow spiritually, develop leadership skills, learn to witness, participate in missions projects, and explore issues that affect youth.

Youth on Mission is an organization for boys and girls. Youth on Mission equips youth to be dynamic, relevant, caring witnesses of Christ to a lost and needy world.
